Match 3 Presidents team win 2 & 1

Match 4 Presidents team win 5 & 3

Match 5 Captains team win 5 & 4

Longest Drive was Lee Bellyou, nearest the pin was Dave Chapple.

Weather was mainly sunny with one shower early on.

This is a four ball betterball matchplay competition, except for the President and Captain. The lowest handicap player gives strokes to the other three players based on three quarters of the difference between the lowest handicap and that of each player. The figures in () above by each player are the strokes given under this system taking their current PEGS handicap into consideration, as shown below. Please remember that PEGS is a friendly Society and by request of the Captain and to keep the game flowing we are allowing opponents to grant "gimme's" for obviously short putts.
